

## Parent + Child Workshops

Monthly workshops are carefully chosen to be fun for all ages, and even more fun for kids and grown-ups to work on together. Advanced registration is required.

Price is for one parent+child duo and covers all materials, supplies and instruction.

### April- Upcycled Art

Make art from trash?! You betcha! Celebrate Earth Day and save the planet by creating art from items that would usually be thrown away. We will create adorable mini-masterpiece magnets from bottle caps and fantastic shrinky dink jewelry from take-out containers!

4/22 3pm \$15 non-members / \$12 members

### August- Mosaic Stepping Stones

You and your young artist will collaborate on fantastic, fun pieces of garden art together. Using geometric patterns, mandalas and simple pictures we will create a heirloom piece of art using a beautiful mosaic technique. We will work with broken glass\*, mirrors and marbles to make unique, durable designs to enjoy in your garden all season long!

\*this project might be best for artists 4 and over due to the sharp broken glass

8/19 3pm \$25 non-members/ \$20 members
